Parental Notes:

In the unlikely event that the camper does not adhere to the above listed items and is unwilling to modify their behavior, Pathways maintains the right to contact the parent or guardian and have the child removed from the camp program and premises.

Also, during the camp session the camper shall be under the care and direction of Pathways staff. Prior to and following that designated time period, the child is considered to be under the care and direction of the parent/guardian. If the parent/guardian makes arrangements for others to care for their child before or after the camp session, responsibility for the child remains with the parent and not Pathways. If you need assistance in making other arrangements for housing and travel for your child outside of the camp session, please contact Jay Richie at (937) 477-3760 for information.

Please have the camper bring this completed form with them to camp for registration, or you can mail this completed form at least two weeks prior to the start of camp to:
